Davies Music School

We at **Davies Music School** provide good teachers to help you or your children flourish in learning how to read music and how to play music in an easy-going, friendly and warm environment.

We can have lessons to suit beginners, and the more advanced, adults and children and we can teach you all different styles of music, which includes, Classical, Jazz,

Gospel, Rock and all music Genres. We can also teach you at a local studio or we can also do home visits if this is more convenient for you.

Our rates are very competitive with other music teachers in your area and we also offer great quality teachers to help you or your children to enjoy learning music at an affordable price.

We teach most instruments such as **Piano / Keyboard, Acoustic, Electric and Bass Guitar, Violin, Drums, vocals, sax, flute, brass instruments**). We are a music school that caters for students all over the Wyndham area of Melbourne and we aim to provide great quality teachers in other suburbs too in the future.

If you have any questions feel free to send us an email at Daviesmusic@yahoo.com and we will be happy to try to assist in any way. Special needs children are also welcome to learn too and we have many already learning.

The Benefits of Music

1. **Develops brain areas involved in language and reasoning**
2. **There is also a causal link between music and spatial intelligence (the ability to perceive the world accurately and to form mental pictures of things)**
3. **Students of the arts learn to think creatively and to solve problems by imagining various solutions, rejecting outdated rules and assumptions.**
4. **Students who study the arts are more successful on standardized tests and achieve higher grades in high school.**
5. **A study of the arts provides children with an internal glimpse of other cultures and teaches them to be empathetic towards the people of these cultures**
6. **Music study enhances teamwork skills and discipline.**
7. **Music provides children with a means of self-expression.**
8. **Music study develops skills that are necessary in the workplace.**
9. **Music performance teaches young people to conquer fear and to take risks**

10. **Students learn the value of sustained effort to achieve excellence and the concrete rewards of hard work.**
